

# CTR PEPTOLENA

1998 RED ROAN

## PROFILE

**CTR PEPTOLENA** has a Pedigree mare owners cannot afford to ignore. The Peptoboonsmal/Doc O'Lena daughter cross combined with the pedigree of CTR Peptolena's maternal granddam, Three Graces (Three Chicks x Leo Pan), provides Peptoboonsmal fans with a very unique breeding cross (speed and cow) on the bottom side.

When consideration is given to the bone, speed and hip provided by this unique cross combined with his very reasonable breeding fee, red roan color, disposition and the promise shown by his first foal crop (three year olds in training in 2006), **CTR Peptolena** is arguably the best breeding investment in the performance horse business.

### Sire:

**Peptoboonsmal**, 1995 NCHA Futurity Open Champion, has sired over 270 money earning foals with total earnings of over \$7,100,000, an average of over \$25,800 per money earner.

Any discussion of Peptoboonsmal must prominently mention his dam, **Royal Blue Boon**. She ranks as the No. 1 All-Time dam by a wide margin with 17 foals that have earned more than \$2.5 million. That tops the combined earnings produced by any other dam by more than \$1 million.

His sire, **Peppy San Badger**, ranks No. 3 on the All-Time Paternal Grandires list with 3,625 foals that had earned \$56,723,878 in Equi-Stat's 2005 Lifetime review. **Peppy San Badger** is also the No. 3 All-Time Cutting Horse sire, with 1066 foals that have earned more than \$26 million.

### Dam:

**Lassie O Lena**, a NCHA money earner herself, was sired by the No. 1 All-Time NCHA Broodmare sire, **Doc O'Lena**. **Doc O'Lena** leads maternal grandires with 1,439 second generation offspring earning \$31,500,000.

**Lassie O Lena's** dam, **Three Graces**, earned an AQHA Open Performance ROM and has 5 money earners out of 5 offspring. She was sired by the AQHA Open Champion, **Three Chicks**. A very consistent and versatile sire, **Three Chicks** sired 614 foals, of which over 70% or 432 foals were performers earning a total of \$1,975,692 and a World Championship. **Three Graces's** dam, **Leo Pan**, was also the dam of some of the leading sires in the cutting horse industry such as **Son O Sugar** and **Jewel's Leo Bars**.
